“As a former supervisor of Isobel, I can honestly say her work ethic is excellent! She was extremely easy to manage and just a joy to have on our team. Disciplined, self motivated, and thorough are a few things that come to mind when I think of her work style. She was always able to handle any task I would throw at her and complete it on time. Isobel is a proficient virtual classroom producer, a sound writer and a skilled photographer. She gets five stars from me!”
